Dear Author(s),

Congratulations!

Your paper #1571069785 ('Stover Nitrogen Estimation in Groundnut Using Hyperspectral UAV Imagery and Machine Learning') , has been **accepted** for Lecture presentation at the 3rd International IEEE Applied Sensing Conference 2025, to be held at IIT Hyderabad (India) from 20-22 January 2025. We look forward to your participation and presentation at IEEE APSCON 2025.

The full Conference schedule will be available on the IEEE APSCON 2025 website very soon. Be sure to check the conference website (https://2025.ieee-apscon.org/) often as important information is posted regularly on this site. If there are additional co-authors for this paper, please make sure to inform them of this decision.

======== REGISTRATION PAYMENT:

In order to guarantee inclusion in the conference program one author must be registered by Dec 15, 2024 23:59 (AOE), the author deadline.

Register here: https://apscon.globalhealthcareacademy.in/

NOTE: A limit of 2 papers can be associated to a single non-student registration fee. Non-author registration fees are not applicable to cover a paper.

If you need a VISA, please start your VISA application as soon as possible in order to secure it by the conference. Conference registration is REQUIRED in order to receive an invitation letter. Go here for more info: https://2025.ieee-apscon.org/registration/
or contact: apscon@ghaconferences.com

======== SUBMISSION REQUIREMENTS:

1. Although your paper is accepted, you should carefully implement comments for improvements as suggested by reviewers.
2. Please find the REVIEWERS' COMMENTS for your paper at the end of this email, which are intended to help you improve your paper for final submission. The reviews can be found at 1571069785.
3. The listed comments must be addressed, as acceptance is conditional on the appropriate response to the requirements and comments.
4. MANDATORY: The paper length format must be strictly adhered to. Your content MUST fit in 4 pages. DO NOT let any content bleed onto the 5th page.
5. FINAL SUBMISSION IS REQUIRED, EVEN IF THE REVIEWERS COMMENTS DO NOT REQUIRE TO MAKE ANY CHANGES TO YOUR ORIGINAL SUBMISSION. Make sure your final submission is Xplore compliant BEFORE uploading (see below).
6. Your completed IEEE copyright release must be filed by Nov 30, 2024 23:59 (AOE). After logging into your author account, click on the © copyright symbol in the row of 'Copyright' which is just below the 'Status' row. It will take you to a new page of "Record copyright form for : ". Click on the blue button of the "IEEE copyright submission" & follow on-screen instructions. This will begin the digital filing process for your copyright release.

7. Your full paper in PDF format must be submitted no later than Nov 30, 2024 23:59 (AOE) at this web site: https://edas.info/N32374. Your paper must comply with the specifications outlined on the web site. Due to publication deadlines, no time extensions will be granted.

8. Login with your author account username.

9. Need your password? Click the "Forgot your Password?" link in the log-in box of the submission site (https://edas.info/N32374).

======== XPLORE COMPLIANCE PROCEDURE:

It is required that all PDF submissions be IEEE Xplore compliant. If your file does not meet Xplore compliance, it will be excluded from the conference proceedings and IEEE Xplore. To help you meet this requirement, you must FIRST check to ensure that your PDF file is compliant by using the IEEE PDF eXpress system BEFORE you submit your paper to the conference final submission web site.

1. Go to the IEEE PDF eXpress website: https://ieee-pdf-express.org/
2. Use this conference ID: 63569X
3. Click on “Don’t have an account? Create account”
4. PDF eXpress will generate a log file with errors, if any. You will need to correct all the errors. Once your compliant log is error free, you will receive an IEEE Xplore compliant PDF file from PDF eXpress with a name similar to PIDxxxxxxx.pdf.
5. Once you have a GOOD PDF file, return to the IEEE APSCON 2025 final submission website (https://edas.info/N32374) and upload this file as your final submission.

NOTE: Checking your PDF file for compliance and submitting your final paper for publication are two separate procedures. After using the IEEE PDF eXpress system for file compliance, MAKE SURE to return to the IEEE APSCON 2025 final submission website (https://edas.info/N32374) and upload your compliant final submission.

Please accept our thanks for submitting your paper to the Conference. We look forward to seeing you in Hyderabad, for an interesting and exciting Conference.

Sincerely,

Anil K Roy & Thilo Sauter

Technical Program Committee Chairs

3rd International IEEE Applied Sensing Conference 2025
